

**Sharon
Glassman
(5-Foot Betty)**

Singer-songwriter Sharon Glassman is 5-Foot Betty, who turns life's ups, downs and occasional sideways into songs that stick.

Audience favorite "Wyoming Truck," from Sharon's upcoming EP *Student Driver*, inspired a fan to give Sharon an actual Wyoming truck license plate.

Called "singularly delightful" by Front Row LoCo, Sharon's songs include "Fairy Godmother Man," "Betty Colorado," and "Thank You," a closing song for each venue. She performs as a solo singer-songwriter and with her 5-Foot Betty bands.
